TOURBUGS

TOURBUGS CAMPING FESTIVAL

India's most unique Camping festival is calling!

This festival is a celebration of pure, raw camping experiences! It is a great chance to meet and share your camping stories with like-minded people. This festival will also give you a platform to know about new camping equipment, gears and places from fellow campers! Bring your own tents, make your own BBQ, light your own bonfire, enjoy acoustic music by bands and experience the real camping vibes

A little about Tourbugs, since 2015

Tourbugs is the biggest camping experience providers in India. We are the pioneers of camping and have been hosting guests for more than 12 years in Sahyadris Westernghats. Our Camping season starts from September & ends in May. We host on all the weekends and for a group of 8 or more on weekdays too. Some of our signature camping events include New Year camping, Full Moon, No moon camping. These are the year's largest camping events and we are overbooked for these.

Our guests are from different domains and walks of lives. We host motorcyclists, corporates, trekkers, photographers, kids, families and many more. Oh, and we love having pets around! The campsite is pet friendly and gives a different experience to them as well. We absolutely adore pets who camp.

We also specialize in camping events for motorcycle manufacturing companies. We host camping events for them at Tourbugs Nest as well as other locations selected by them. Another characteristic about us is that our love for food is undying. We love feeding people good food and believe that food is one of the main aspects of experience that we are providing. We are known for simple, wood fire cooked, village food that will leave you wanting some more. Our BBQ is a must have while camping. Everything is unlimited and of great quality. The food will never disappoint you.

We are featured in Your story for our camping. You can read the article [here](#).

When not hosting camping here in Pune, we take people on the Himalayan Moto Adventures! We do some really cool and unusual trips in Ladakh, Spiti, Zanskar and North East of India.
